

I favor the State Tax Appeal Board resolving small tax disputes through informal hearings where CPAs and Enrolled Agents are allowed to represent the taxpayer. Wherefore, I support the 2015 bill requested by Senator Tutvedt to adopt American Bar Association Model Act. I am a member of the AICPA (American Institute of CPAs). The AICPA supports efforts by state CPA societies who may advocate for the creation of state tax tribunals structured in line with the provisions of the Model Act.

I favor the same income tax treatment for all servicemembers protected by the Servicemembers Civil Relief Act. Wherefore, I support the 2015 bill requested by Senator Arnstedt.
